

Dear Clive,

I intended to write this letter last week, but the combination of my poor memory and the fact I didn't have your address are the only excuses I can come up with!!!!

I just wanted to thank you and the boys of Five Ways for the excellent entertainment in the hotel at Stratford on the 6th October. Bob & Joan Nurden were delighted with your contribution to a very successful evening and I'm sure you'll have realised from your reception that you've made quite a few fans - I hope your group continue to prosper and I look forward to hearing you again in the not too distant future,

With best wishes,

Yours sincerely,

John Bennett.

Thank you for your superb entertainment to Probus Club 3

Just a quick note to send my personal thanks and appreciation, also on behalf of the club, for your superb entertainment on Tuesday this week.

You all lived up to my expectations, smartly "tuned out" with beautiful voices; a programme of quality music ideally suited to the audience and obvious enthusiasm by everyone. "Your jokes and banter" between the musical sessions (well-chosen to relate to many members present) went down very well.

You held the attention of the audience throughout and informal feedback later from 5 or 6 members confirmed; "That was one of the best and most lively Christmas lunch entertainment sessions we have ever had... [Exactly what I wanted to achieve, as previously explained to you]

Please pass on my thanks and appreciation to all the members Of the Chorus for giving up some of their working time to entertain us. I hope everyone will be able to enjoy some relaxing time Over the Christmas and New Year Holiday.

I send best wishes for the continuing Success of the Chorus in future Barbershop Competitions, also to you personally for your care and attention in making all the arrangements. If you ever require someone to give you a "reference" for possible future -bookings with other groups - I would be delighted to help in anyway.

Dear Clive

Now that the dust has settled I want to thank you and your noble band for having contributed so well to our festival. There have been many complimentary remarks made about your performances, well done.

I especially want to thank you for putting on the extra performance in St Lawrence church after our let down by the gospel choir. However, even though the weather adversely affected programme sales, we have managed to raise £3,000 for local charities.

Thanks to you all.

We would like you to pass on to your members how much their performance was enjoyed by both the public and our staff. We hope we can book you again sometime, although we can't promise any better weather!!!!
